Personal Profile (基本情况简介)

(around 150 words, including basic introduction, research direction, teaching experience as supervisor for international students)

Dr. Xiaohong Huang, born in March 1971, is a female orthodontist. She is the chief doctor of the Stomatology Department at The First Affiliated Hospital of Fujian Medical University and the associate professor of Fujian Medical University. She gained her bachelor's degree in medicine from the Department of Stomatology in Shanghai Second Medical University (now Shanghai Jiaotong University School of Medicine) in July 1995 and earned her Master's from Fujian Medical University in July 2006.

Dr. Xiaohong Huang has a close relationship with the Orthodontics Department of Shanghai Ninth People's hospital, the top of the country. From May 1999 to May 2000, she studied Orthodontics there, and from November 2006 to May 2007, she went to the Treatment Center for Orthodontics and Orthodontic Surgery for further study. In addition, she served as a visiting scholar at the University of Houston, USA from November 2010 to June 2011. Dr. Xiaohong Huang has been practicing Orthodontics for more than 20 years. She has been committed herself to clinical, teaching, and scientific research in Orthodontics for a long time. She specializes in the fixed correction and recessive correction of various malocclusions such as malocclusion, prognathism, and subterranean malocclusion in adolescents and adults, orthodontics before and after orthognathic surgery, sequential treatment of cleft lip and palate, temporomandibular joint disorder syndrome conservative treatment, etc.

She has won 3 provincial and ministerial scientific research projects and has published 10+ research essays in provincial journals. She currently serves the
