Personal Profile (基本情况简介)

(around 150 words, including basic introduction, research direction, teaching experience as supervisor for international students)

I graduated from the Department of Stomatology, School of Stomatology, Xi'an Jiaotong University in 1993, studied in Japan in 1995, and received a doctorate degree in pediatric dentistry from Asahi University in 2002. In 2002, he returned to China and established the Department of Pediatric Stomatology in the Affiliated Stomatology Hospital of Fujian Medical University. He is currently the director of pediatric dentistry, chief physician and master tutor of the Affiliated Stomatology Hospital of Fujian Medical University. Member of the Standing Committee of Pediatric Stomatology Professional Committee of Chinese Stomatological Association. I have presided over nine provincial and departmental projects, has five national invention patent authorizations, and published more than ten papers in Chinese and foreign journals. I won the third prize of Fujian Province Patent Award in 2012, the title of "Advanced Worker of Fujian Province Health and Family Planning System" in 2017, and the title of "Excellent Teacher of Fujian Province" in 2020.
