			<input type="checkbox"/> P.H.D/M.D	<input type="checkbox"/> Academic
			<input type="checkbox"/> Master	<input type="checkbox"/> Professional

Personal Profile (基本情况简介)

(around 150 words, including basic introduction, research direction, teaching experience as supervisor for international students)

I am Doctor of medicine and associate chief physician of Department of Neurology. I have been engaged in neurologic clinical working and teaching for more than 18years. I am mainly good at the diagnosis and treatment of epilepsy, comorbidity, encephalitis and critical neurological diseases. Moreover, I have been engaged in clinical and basic research on epilepsy and electrophysiology. I am assumed the youth project of the National Natural Science Foundation of China and also participated in several other National Natural Science Foundation. In recent 5 years, 7 articles have been published on SCI journals as the first author or corresponding author.
