			<input type="checkbox"/> P.H.D/M.D	<input type="checkbox"/> Academ
			<input type="checkbox"/> Master	<input type="checkbox"/> Professional

Personal Profile (基本情况简介)

(around 150 words, including basic introduction, research direction, teaching experience as supervisor for international students)

Lin Rongbo, male, born in March 1973, I graduated from Fujian Medical University, in Fuzhou, China. I have been working as a GI medical oncologist at Fujian Cancer Hospital, in Fuzhou, China, since I graduated. and complete my residency and fellowship at Fujian Cancer Hospital. I left to work as a volunteer at Princess Marina Hospital, in Gaborone, Botswana, during 2012-2015. My clinical interests focus on gastrointestinal cancers and palliative medicine, in particular gastric cancer, cancer pain and clinical trial design. My investigator-initiated-trials about self-designed POF (paclitaxel plus oxaliplatin plus S-FU) regimen in advanced gastric cancer and hydromorphone patient-controlled analgesia in severe cancer pain were presented in top global oncological meeting, such as ASCO (American Society of Clinical Oncology), ASCO-GI, ESMO (European Society for Medical Oncology) as Oral or poster presentations. I currently chaired the Cancer Pain Committee of Fujian Anti-Cancer Association. I assisted in managing medical intern when I was in Princess Marina Hospital.
