Displine Level I (一级学科)	Displine Level II&III (专业名称: 二科+三级学科)	Research Direction (研究方向及专长)	Level (层次)	Type (学位类型)
Clinical Mecicine	Radiation oncology	inical and Basic Research of radiotherapy	☒ P.H.D/M.D	☒ Academic
			☒ Master	☒ Professional
	Oncology		☐ P.H.D/M.D	☒ Academ
			☒ Master	☐ Professional

Personal Profile (基本情况简介)

(around 150 words, including basic introduction, research direction, teaching experience as supervisor for international students)

I have been engaged in radiation oncology for over 33 years, with many clinical experience. Focusing on the mechenism of neoadjvant chemoradiotherapy of rectal cancer, adjuvant radiotherapy of breast cancer, glioma, I have guided over 40 master degree students and 5 doctoral degree students. The results of thier researches have been cited by NCCN guidelines in reactal cancer and other malignacies. Recently, I did some work on improving radiosensitivity of cancer cells using nano particles, and have already got some interesting and inspiring results. I have international study experience in Karolinska Institute and MSKCC, and also, I published over 40 SCI articles.
