Personal Profile (基本情况简介)

(around 150 words, including basic introduction, research direction, teaching experience as supervisor for international students)

Zhixian Xu, male, born in June 1980, graduated from Fujian Medical University in 2004 with a bachelor's degree, and obtained a master's degree in surgery (extraosseous) from Fujian Medical University in 2011. I has been working in emergency trauma surgery in Fujian Provincial Hospital from 2004 until now. I engaged in clinical and basic research in trauma orthopedics. In December 2016, I was appointed as the Deputy Chief Physician. In May 2020, I was selected as a professional degree-based master tutor of Fujian Medical University. In 2021, I was selected as an academic master tutor of Fujian Medical University. In 2021, I was appointed as an associate professor of Fujian Medical University. As the first author, I have published more than ten academic papers, including 1 in CSCD and 3 in SCI. In 2021, I was named an outstanding teacher of the Department of Clinical Medicine of Fujian Medical University.
