			<input type="checkbox"/> P.H.D/M.D	<input type="checkbox"/> Academic
			<input type="checkbox"/> Master	<input type="checkbox"/> Professional

### Personal Profile (基本情况简介)

(around 150 words, including basic introduction, research direction, teaching experience as supervisor for international students)

Dr. Song is the Director of Epilepsy Center of Fujian Medical University Union Hospital and an Associate Professor of Fujian Medical University. He specializes in preoperative evaluation and surgical treatment of drug-refractory epilepsy. Dr. Song spearheaded the center into the "Senior Comprehensive Epilepsy Center" designated by China Association Against Epilepsy. Over the past three years, under his leadership, his team has performed more than 150 operations each year. Dr. Song holds MD from University of Tübingen, Germany and the advanced level EEG certification granted by China Association Against Epilepsy. The Epilepsy Center he leads has international standard equipment and technology. He is eager to have foreign students join his team and work on fascinating functional neurosurgery research.
