Personal Profile (基本情况简介)

(around 150 words, including basic introduction, research direction, teaching experience as supervisor for international students)

Dr. Changhua Zhuo, MD, Ph.D is a chief physician and attending physician in Dept. of GI Surgical Oncology of Fujian Cancer Hospital. He is also an associate professor in Fujian Medical University. He has been now a Master Supervisor formally in Fujian Medical University, and Fuzhou University as well. In 2015, he graduated from Shanghai Cancer Center, Fudan University, majoring in surgical oncology in colorectal Surgery, and has published more than 15 SCI papers.

Dr. Zhuo has professional specialty in traditional surgery and minimally invasive surgery for colorectal cancer and gastric cancer clinically. He also has many interests in advanced and difficult gastrointestinal malignant tumors, reasonable and comprehensive multidisciplinary treatment (MDT) suggestions can be provided. He has been academically focusing on the screening, treatment, research, and genetic counseling for patients with hereditary colorectal cancer (ie. LS and FAP).

Dr. Zhuo has achieved many teaching experiences as supervisors not only for undergraduates, but also for master students in the past 10 years. He helped them carry out their research projects and published them with academical papers, some in English. Dr. Zhuo also had some experiences with international students many years ago when he was working as a visiting Ph.D. Candidate in Institut Pasteur of Shanghai (IPS), Chinese Academy of Sciences in Shanghai.
