Personal Profile (基本情况简介)

(around 150 words, including basic introduction, research direction, teaching experience as supervisor for international students)

My name is Gao Wei. In1974 , I was born in Fuzhou, the capital of Fujian Province and the largest city in Fujian Province which is famous for beautiful scenery and 2200 years of history.

I am an optimistic and cheerful person, full of passion for life,love football and swimming and other sports, familiar with computer office software; have strong English ability, can carry out general oral communication. I am Familiar with common office software and application of computer.

In 2003,I graduated from Fujian Medical University major in gastroenterology, and got several awards for my good achievements in major subjects. Now

I work in the Department of abdominal oncology of Fujian cancer hospital. I am conscientious and responsible. I have the potential to work under pressure, strong responsibility and self-motivated. My biggest advantage is patience and carefulness. As a learner,I has strong learning potential and can actively practice. As a participant, I am honest and trustworthy, full of team spirit, and have good cooperation potential.

At present, I am very concerned about the progress of multi-disciplinary treatment mode. It is not only a scientific diagnosis and treatment mode, which
