Personal Profile (基本情况简介)

(around 150 words, including basic introduction, research direction, teaching experience as supervisor for international students)

Xuwei Yang holds a bachelor's degree in clinical medicine, a master's degree and Ph.D. in internal medicine from Fujian Medical University. He finished the postdoctoral training in clinical immunology at the University of California, Los Angeles.

His recent research interest is focused on diffuse connective tissue diseases, especially systemic lupus erythematosus. He is an associate professor of Fujian Medical University, teaching courses on rheumatology for domestic and international students. As an attending doctor, he is responsible for in- and out-patients suffering from rheumatic autoimmune diseases at Fujian Medical University Union Hospital.
